**Information**

The Executive Order issued by the Governor of Illinois prohibits the use of golf carts on the course, unless the golfer is a person with a physical disability or has physical limitations, so long as the disability or limitation will prevent the golfer from walking the course. Per the Americans with Disabilities Act (ADA), a qualified person with a disability can receive a reasonable modification, such as the use of a golf cart on the course. Your answers to the questions below will help Park District staff make golf safe and enjoyable. You may be contacted to clarify your answers or gather more information.

**Request for Modification Based on Disability**

I have one of the following and can provide it as proof of disability: **(MUST ATTACH COPY/PHOTO)**

\_\_\_\_ Illinois Accessible Parking Placard or license plate **(to be verified with State of Illinois)**

**You will not be allowed to utilize a golf cart until the verification process is complete.**

\_\_\_\_ Physician's note regarding disability which requires the use of a golf cart **(must be within three years)**

**All Physician's notes will be reviewed by a third-party firm, hired by the Park District who specializes in accessibility matters. You may be contacted to gather more information. You will not be allowed to utilize a golf cart until your Physician's note is reviewed.**
